## **CREATING HOPE FOR HUNGRY CHILDREN IN CENTRAL AMERICA**

Feed your heart and spirit while you do a little fun work to feed the hungry. Almost anyone can pack food, from age 5 and up. There are opportunities for both standing and sitting jobs, and anyone who can dedicate themselves to about 60 minutes of easy work will excel at packing, sealing and boxing these dehydrated meal pouches of broth, protein, beans and rice. One meal pouch will feed a family of 6, a hot nutritious meal, that costs only 20 cents to make and ship.

Our goal is to raise \$2000.00 so we can send 10,000 meals to hungry children in El Salvador, where there is so little, some are forced to migrate to survive. With God all things are possible and like the widow gave her two mites, we are asking everyone to give what they can to make this goal a reality. Let's do what we can to help more families stay in their home in the land and the culture they love.

We will be able to pack a case (216 meals) or two for every volunteer we have (per shift that is worked).

Dollar wise that comes out to \$37.00 per case. For some, donating \$74.00 or more is doable, to cover the cost of the food that they will be packing but for others, \$37 is out of their range to donate. The Proclamation Team is asking everyone to give what they can. Kids, can you spare the money in your piggy-bank or a few bucks out of your allowance? Teens and senior citizens, can you give \$10 or \$20, maybe more? Please look deeply into your heart and give what you can.

**Your \$3 cup of coffee will feed 90 children in Central America.**

So, please sign up to help at the food pack and donate what you can. God will use our hands, feet, wallets and purses, so that this food pack can be a blessing to many, many hungry children! Together, with the help of God, we will provide 10,000 meals to feed hungry children!
